

How to Join the Project Integration Revolution

Integrated Project Delivery (IPD) concepts can encompass Building Information Modeling (BIM) and design-build, but it is bigger than those ideas. It is a better system for delivering projects, especially those requiring high levels of sustainability, coordination, schedule performance and cost reliability.

Wednesday, September 29, 2010

4:00-5:00pm: Seminar • 5:00-6:00pm: Networking Happy Hour (drinks provided)

ABCTEC • 2267 West Yale Avenue, Englewood, CO 80110

\$15 Registration Fee • RSVP by September 27 2010

LEARNING OBJECTIVES

- Learn the fundamentals of Integrated Project Delivery and be able to contrast them to their current practice.
- Understand the various meanings of “integrated delivery” as requested by some RFPs.
- Understand resources available for further education or exploration into IPD.
- Learn how general contractors and subcontractors can adapt their business to the increasing use of IPD in the industry.
