

Stormwater Management for Construction Supervisors

Tuesday January 26, 2010
8:00 a.m.—5:00 p.m.

Rocky Mountain

ABC Training & Education Center (ABC TEC)

2267 W. Yale Avenue • Englewood, CO. 80110

Plenty of parking in rear of building located off of College Avenue

This course is designed for supervisors in charge of the proper installation, maintenance and inspection of Best Management Practices (BMP's) for the control of erosion and sedimentation at construction sites. This class is not for CDOT certification, but for construction site stormwater knowledge.

Learning Objectives:

- Introduction to stormwater
- Describe the process of erosion and sedimentation
- Describe the installation requirements for BMP's for erosion and sediment control
- Describe BMP's to control sources of pollution on construction sites

Topics Covered:

- Regulatory requirements
- The problem of erosion and sedimentation
- Best management practices for erosion control
- Best management practices for sediment control
- Materials handling and waste management

Testing:

Quizzes—all quizzes must be passed with a score of 70% or better in order to proceed forward to the next lesson. Final Exam must have a minimum score of 70% in order to pass the course.

Registration Deadline: January 21, 2010 - Fax this form back to 303-832-5813
