We understand that our investment payment includes a \$42 annual subscription fee to the ABC National *Construction Executive* and a \$21 subscription fee to the chapter's *Merit Builder* quarterly magazine. Please note that approximately 10% of national dues are deposited into the Construction Legal Rights Foundation. NOTE: ABC dues are not deductible as a charitable contribution for Federal income tax purposes but may be partially deductible as a business expense. ABC estimates that for 2016, 26% of your dues are not deductible as they are related to lobbying activities on behalf of its members. NOTE: \$50.00 of investment payment for the Free Enterprise Alliance, the issue-advocacy arm of ABC.

Beginning in 2015, all contractors are required to attach their most current OSHA 300 log with their completed membership application. This information will not be shared. It is strictly a measurement tool to ensure that safety is a top priority for all ABCRMC members.
